

Academic Progress Policy

1. Academic progress provisions monitor student progression through their course of study to ensure satisfactory completion of course requirements.
2. Each award course at DLI will have academic progress requirements detailed and approved through the course approval process.
3. All academic progress requirements will be published on the DLI website, and any changes after publication advised to affected students in writing as soon as possible.
4. DLI will monitor students' academic progress and provide services, including support, to help students meet academic progress requirements.
5. Examining bodies will determine whether a student has successfully met the progression requirements for a course, giving full countenance to exceptional circumstances and reassessment opportunities.
6. DLI will provide services, including support, to help students meet academic progress standards.
7. Unsatisfactory academic progress will be managed by DLI in accordance with both Deakin University and Lancaster University policies.

The Joint Procedures Manual will draw upon the Lancaster University [Undergraduate Assessment Regulations](#) (Section 5 – Degree Progression) and the Deakin University [Academic Progress Policy](#).
