

## Schedule A: Outcomes for Student Breaches of Academic Integrity

This schedule is pursuant to the Academic Integrity (DLI) Procedure and is effective from September 2025.

All outcomes under this Schedule will include a direction to the student to engage with DLI academic skills resources and support.

Breach type		Standard outcome	Mitigating circumstances	Exacerbating circumstances
Plagiarism	Unacceptable academic practice after prior early intervention	0 for assessment task	0 for similar sections of assessment OR Only non-similar sections assessed	0 or UN for module
	Plagiarism that was not eligible for early intervention, or the student did not respond to an early intervention or the student did not adequately address the poor academic practice	0 for assessment task	Resubmission (student corrects academic integrity breaches only and resubmits) for a maximum 50%	0 or UN for module
	Use of artificial intelligence software to paraphrase a submission or components of it	0 for assessment task	Resubmission (student corrects academic integrity breaches only and resubmits) for a maximum of 50%	0 or UN for module
Collusion	Student knowingly shared assessment, first substantiated breach of this type	Formal warning Submission marked on its merits	Standard outcome applies	0 for similar sections of assessment
	Student knowingly shared assessment, subsequent substantiated breach	0 for assessment task	0 for similar section of assessment OR Only non-similar sections assessed	0 or UN for module
	Student copied from another student's assessment submission OR developed an individual assessment submission with another student, first substantiated breach of this type	0 for similar sections of assessment OR Submission assessed with similar sections ignored	Standard outcome applies	0 or UN for module

Breach type		Standard outcome	Mitigating circumstances	Exacerbating circumstances
	Student copied from another student's assessment submission OR developed an individual assessment submission with another student, subsequent substantiated breach	0 for assessment task	0 for similar sections of assessment OR Submission assessed with similar sections ignored	0 or UN for module
Falsification, fabrication or misrepresentation of data	First substantiated breach	0 for assessment	Resubmission (student corrects academic integrity breaches only and resubmits) for a maximum of 50%	0 or UN for module
	Subsequent substantiated breach	0 or UN for module	0 for assessment	0 or UN for module AND Exclusion from the University for three teaching periods
Impersonation	Student was impersonated	0 or UN for module AND Exclusion from the University for three teaching periods with no automatic right of return	0 or UN for module	0 or UN for module/s AND Permanent exclusion from the University with no automatic right of return
	Student was impersonator	Permanent exclusion from the University	Exclusion from the University for three teaching periods with no automatic right of return	Standard outcome applies
Academic fraud – falsification of documents	First substantiated breach of this type in a single study period	0 for associated assessment	Standard outcome applies	0 or UN for module
	Second and subsequent substantiated breach of this type OR Substantiated breach across multiple study periods	0 or UN for module(s) AND Permanent exclusion from the University	0 or UN for module(s) AND Exclusion from the University for a period of three teaching periods with no automatic right of return	Standard outcome applies

Breach type		Standard outcome	Mitigating circumstances	Exacerbating circumstances
Non-compliance with instructions/requirements in an invigilated or supervised assessment	Unauthorised material in assessment that could reasonably result in an unfair academic advantage	0 for assessment task	Reassessment to a maximum 50%	0 or UN for module
	Communication with another student or outside party	0 for assessment task	Reassessment to a maximum of 50%	0 or UN for module
	Sharing a copy of an assessment task with other students that have not started/received the task OR	0 or UN for module	0 for assessment task	0 or UN for module AND Exclusion from the University for three teaching periods
File-sharing	Receiving a copy of an assessment task prior to the assessment starting			
	Uploading materials to a file-sharing site OR Sharing materials with a student in a later offering, first substantiated breach	Formal warning AND A retraction of material on the public record	Standard outcome applies	Suspension from the University for one teaching period AND A retraction of material on the public record
	Uploading materials to a file-sharing site OR Sharing materials with a student in a later offering, subsequent substantiated breach	Suspension from the University for one teaching period AND A retraction of material on the public record	Standard outcome applies	Exclusion from the University for three teaching periods AND A retraction of material on the public record
Promoting ways to breach academic integrity	Distributing material describing advice or techniques to breach academic integrity	Exclusion from the University for a period of one teaching period with no automatic right of return	Formal warning	Permanent exclusion from the University
	Using University resources, or allowing University resources to be used, including, but not limited to, computer labs, library resources, and Turnitin, to	Exclusion from the University for a period of one teaching period with no automatic right of return	Formal warning	Permanent exclusion from the University

Breach type		Standard outcome	Mitigating circumstances	Exacerbating circumstances
	assist others in breaching academic integrity.			
	Student providing contract cheating or ghost-writing services to other people	Permanent exclusion from the University	Exclusion from the University for a period of three teaching periods with no automatic right of return	Standard outcome applies
Reuse of previous work	Work submitted to same module, first substantiated breach of this type	Formal warning Submission marked on its merits	Standard outcome applies	0 for assessment task
	Work submitted to a different module, first substantiated breach of this type	0 for similar section of assessment OR Only non-similar sections assessed	Resubmission (student corrects academic integrity breaches only and resubmits) for a maximum of 50%	0 for assessment task
	Second or subsequent breach	0 for assessment task	Standard outcome applies	Standard outcome applies
Contract cheating	First substantiated breach of this type, single breach	0 or UN for module	0 for assessment task	0 or UN for module AND Suspension from the University for a period of 1 teaching period.
	First substantiated breach of this type, 2-9 breaches	0 or UN for module/s AND Suspension from the University for a period of 1 teaching period.	0N or UN for module/s	0 or UN for module/s AND Exclusion from the University for a period of three teaching periods with no automatic right of return
	First substantiated breach of this type, 10+ breaches	0 or UN for module/s AND Permanent exclusion from the University	0 or UN for module/s AND Exclusion from the University for a period of three teaching periods with no automatic right of return	Standard outcome applies
Contract Cheating	Subsequent breach	0 or UN for module/s AND	0 or UN for module/s AND	Standard outcome applies

Breach type		Standard outcome	Mitigating circumstances	Exacerbating circumstances
		Permanent exclusion from the University	Exclusion from the University for a period of three teaching periods with no automatic right of return	

Where a student with a substantiated outcome has graduated from the program and the outcome leads to failure of a module, the Committee may recommend to DLI and the University Partner that the student's award be rescinded.

The outcome for any breach outside of those described here should be determined by the Academic Integrity Committee Chair with the support of the Rector or nominee.

### Definitions

- Mitigating circumstances:** exceptional circumstances outside the student's control that impaired the student's decision-making ability. These include, but are not limited to, severe and acute mental distress or being the subject of blackmail or other coercion.
- Exacerbating circumstances:** circumstances where a student's actions are determined to be unethical beyond the nature of the breach in student academic integrity standards. These include, but are not limited to, the theft of information or devices from another person or student, repeatedly breaching academic integrity, blackmail or coercion, or managing or leading a business or organisation with the purpose to help others breach academic integrity.
- Subsequent breach:** means behaviour in an assessment task submitted after receiving a substantiated breach.
