Student Code of Conduct (DLI)

Section 1 - Preamble

(1)   This Policy is effective from 4th September 2025.

(2)   The Student Code of Conduct (DLI) (the Code) outlines the standards of behaviour expected of all members of the Deakin University Lancaster University Indonesia (DLI) student community, ensuring a safe, respectful, and inclusive environment for academic and professional activities. It reflects the core values set out in the Deakin University Student Code of Conduct and Lancaster University Student Charter, applied to the Indonesian cultural and legal context.

Section 2 - Purpose

(3)   This Code sets out the standards of responsible and ethical behaviour and conduct expected of DLI students as part of contributing to a thriving, progressive, respectful and inclusive University community.

Section 3 - Scope

(4)   This Code applies to all students of DLI. This Code should be read in conjunction with other policies and procedures set out in Section 6.

In the establishment phase, defined as the first two years from when students commence DLI programs, any issues arising from the implementation of current policy, procedure or process will be referred to a jointly-convened Policy and Procedure Review Panel (PPRP). The PPRP will comprise designated academic and professional service representatives from the University Partners and the Office of the Rector. The PPRP will recommend an outcome best aligned with relevant principles and the best interests of any student(s) concerned, and will advise DLI on the future development of policy, procedure and supporting processes. During the establishment phase, the PPRP may make recommendations to vary any given policy only with endorsement from relevant University Partner governance processes. All policy and procedure will be subject to a full review at the end of the two-year establishment phase.
